

Our 7th annual Dance Recital date has been set for June 13th 2009. If for any reason you or your child cannot participate in our June recital, please make us aware of this immediately so that we can plan accordingly.

If you still have not purchased shoes for your child and are unsure what type to purchase please contact Miss Erin so that we may direct you.

We are in the process of choosing and ordering costumes. If you have not yet paid your 30.00 deposit, please do so immediately. Once the costume orders have been placed, you will receive an invoice stating your balance. We will post your child's costume according to his or her song. If you do not know the song name, please ask the teacher. We are measuring students in the month of November. Please also make sure if you have not paid your registration fee for this year it is due. All students must pay registration this year.

Cold weather is ahead which also means possible snow days. We DO NOT close unless it is severe weather. Please check with WKYC Channel 3 for their I-Alert, check our website or call the studio if unsure.

Do not forget Thanksgiving break is November 25th – November 28th. Our November watch week will be the November 17th – November 21st. Feel free to join us and see what your child is up to.

Steppin' Up will be closed for winter break December 23rd – January 1st. Due to December being a shorter month we will not be holding an observation week. Our last observation of the year will be January 12th – January 16th.

Flu season is also upon us. If your child will not be attending class due to illness, please be courteous to the other students and your instructor to call and let us know. This is especially important in the smaller classes because the instructor must make adjustments in how class time must be used.

We are allowing all of our parents to take advantage of selling Malleys for the holidays. The credit will be put onto your account for you to use either towards costumes or tuition. All orders need to be turned into me by no later than 11/24/08. You will be able to order online until December 17th. You will be able to pick up your orders at the studio Monday December 15th. You can pick up your fundraising books in the office anytime at the studio. Please make all checks payable to Erin Pallay.

We are looking to put a group together of anyone interested in dancing around town. We will dance at old folk homes, fairs and malls. Please sign up in the office. More details will become available depending on the interest.

Please also let us know if you are interested in our 1st annual Christmas party. There is a small cost which will include pics with Santa, a present, food and dancing. Please see the secretaries in the office.

We hope you have a wonderful holiday and try to stay warm and healthy!
